To Whomsoever It May Concern,

This is to certify that **Mr Parth Pandey**, was employed with Magma Technology as a “Network and Security Engineer L2”. He worked here 4 months.

During his tenure with us, he was responsible for:

- Designing, implementing, and maintaining secure network infrastructure.
- Providing technical support and resolving network-related issues.
- Installing, managing, and troubleshooting routers, switches and other network devices.
- Monitoring firewalls, VPNs, and other security devices to ensure data protection.
- Implementing security policies, access controls, and compliance measures.
- Responding to and investigating network and security incidents.
- Coordinating teams to ensure high availability, integrity, and confidentiality of information systems.

Mr. Parth Pandey has proven to be a dedicated, technically skilled, and reliable professional. His conduct during employment was satisfactory, and he made valuable contributions to strengthening the company’s IT security framework.

We wish him all the best in his future endeavors.

Sincerely,
For Magma Technology
Human Resources Department
